## Book File Details:

*Review: If there is one thing that middle grade books struggle with it's the subject of family abuse. Middle grade boundaries prohibit addressing certain realities, and as a result, sometimes draw an overly nuanced or distant approach. Not so with "What Jamie Saw." In this compact book, the subject is explored in an age appropriate manner without pulling punches...*

*Description: Reveals the impact of witnessing violence even as it affirms the luminous power of love. Jamie's mother is there to catch the baby—this time. She does what she must to keep her family out of harm's way, but still the shock waves of Van's act reverberate through their lives. What Jamie Saw is a moving, visceral dramatization of violence in the home,...*
